### Minnesota Grown Nursery Stock for Minnesota Homes.

Since our planting season is of such short duration in the spring, it is advisable, in order to get prompt attention, to send in orders as Early as possible.

Prices as listed are f. o. b. Minneapolis. No charge for packing.  
Twin City orders for \$2.00 or more delivered free.

#### REPLACEMENTS—

We agree to replace any nursery stock purchased from us direct at prices listed, that dies before October first, providing instructions for planting and care as given in our booklet are carried out. The guarantee is void unless dead stock is reported before October 15th and payment in full has been made when amount was due.

#### PLANTING—

We prefer to have our customers do their own planting. If we are to plant the stock an additional 40% will be charged. Any black dirt and labor for excavating the poor soil will be additional. No orders planted which amount to less than \$5.00.

#### BEAUTIFYING—

We gladly advise as to beautifying your home grounds and give you the benefit of our many years of experience. We give complete Landscape service.

#### SHIPPING—

All goods are at purchaser's risk after they are delivered to the forwarding company from whom we hold a receipt for the shipment in good condition. Claims for damage while in transit must be made to the transportation company, which is directly responsible.
